If you make the turn into venue, you agree to pay for parking.* Due to the volume of cars, buses, and people drop offs are not permitted per regulations. - **BUSES:** Buses will park AND unload in the bus lot INSIDE the venue. All Pedestrians follow foot traffic signs to get to buses and parking thru venue area and stay off roadways as much as possible to help us keep car and bus traffic flowing efficiently. We must keep traffic flowing safely and smoothly at all times.
- **PERSPECTIVE:** Please be kind to SRA parking volunteers, they do not have an easy job and all of them are either rowers or have family members that row. Everyone is trying to make it safe and smooth for all!

FOOD TENTS

- **ARRIVAL:** Food tents can be set up Saturday morning. Please note that NO vehicles will be allowed in food tent area after **7:20AM**. If you come in after that time, parking volunteers will get you as close to tent area as possible, but you will need to walk and carry from that point. HOWEVER, that is a very busy time with lots of traffic, so you might not get close at all. To avoid this, please arrive before 7:20 AM.
- **SET UP:** Food Tent spaces are marked with painted orange lines and signs posted in the CENTER. Please BRING map copy with you. You have 30 minutes to unload. Everything must fit on your site. No cars/vans/trucks may be left in tent area. One vehicle per team should be handling the drop-off.
- **PARKING:** Food Tent tow vehicles must park in general parking field, no exceptions. Chuck wagons can be parked in the MARKED area on the map.

- **BREAKDOWN:** Food tent vehicles may access sites AFTER 2:00 PM on Sunday. This is due to safety reasons (it is not safe to drive vehicles in food tent area during racing times. If it is critical to leave prior to end of races each day, please ask a parking crew member to find out when that will be logistically possible. No guarantees we can make that happen. You can walk in and carry out at any time
- **FOOD FOR PURCHASE:** There may be a few small food vendors at the venue and a walkable location for food is Stewart's. Please walk INSIDE pedestrian barriers and out of the flow of traffic. The quickest way to Stewart's is between the two tan buildings across from the State Boat Launch area. Please follow foot traffic signs and help us keep car traffic flowing.
